WRITTEN ANSWERS TO STARRED QUESTIONS

Loans to SSIs and agricultural sectors by public sector banks

t*386. SHRI JANESHWAR MISHRA: Will the Minister of FINANCE be pleased to state:

(a) the measures taken by Government to provide loans to small scale industries and agricultural sectors through public sector banks at cheap rate of interest;

(b) what is the percentage of rate of interest at which loans to these sectors are provided currently;

(c) what are the terms and conditions and time limit for loans without security; and

(d) details of loans sanctioned to small scale industrial units by banks during the past three years, State-wise?

THE MINISTER OF FINANCE (SHRI P. CHIDAMBARAM); (a) and (b) A policy was announced in June, 2004 envisaging doubling the flow of credit to agriculture from 2004-05 to 2006-07. Government has also announced a Policy Package which envisages doubling of credit flow from the public sector banks to the small and medium enterprises sector over the five years starting 2005-06. This policy would provide adequate enhancement of credit to SME sector.

As per the interest rate policy of Reserve Bank of India (RBI), interest rates on loans given by commercial banks have been deregulated. However, the interest rate on loans up to Rs. 2 lakh should not exceed the Benchmark Prime Lending Rate (BPLR) of the banks concerned. BPLR is fixed taking into account *inter-alia,* their cost of funds, transaction cost and risk cost. Hence, the rate of interest on loans upto Rs. 2 lakhs is the barest minimum.

† Original notice of the Question was received in Hindi.

Further in case of crop loans, all public sector banks have been advised to reduce their lending rate to a single digit rate of not more than 9% per annum loans up to a ceiling of Rs. 50,000.

With regard to Small Scale Industries (SSIs), the Public sector banks have been advised to adopt the interest rate band of 2% above and below its prime lending rate (PLR) for secured advances and to examine having at least 3 slabs of rate of interest—for loans up to Rs. 50,000/- between Rs. 50,000/- and Rs. 2 lakh and above Rs. 2 lakh.

(c) The banks have been advised to waive margin/security requirements for agricultural loans up to Rs. 50,000/- and in the case of agri-business and agri-clinics for loans up to Rs. 5 lakh.

In respect of all SSI borrowers, banks have been advised to extend collateral free loans up to Rs. 5 lakh and consider increasing the exemption limit for obtention of collateral security for all SSI borrowal accounts from the existing Rs. 15 lakh to Rs. 25 lakh, based on good track record and financial position of the units, with the approval of their Board of Directors. To make available timely credit to the sector a time frame has been fixed for disposal of loan applications for SSI up to a credit limit of Rs. 25,000 within 2 weeks and those up to Rs. 5 lakh within 4 weeks, provided the loan applications are complete in all respects and accompanied by a 'check list'.

(d) State-wise data on outstanding advances of Public Sector Banks to the SSI sector during the last 3 years, *i.e.* as at the end of March 2002, 2003 and 2004 is given in the enclosed statement. (See below)
